## About Vinda Group

Founded in 1985, Vinda is a large-scale hygiene company in Asia integrating R&D, production and sales. Vinda is committed to the philosophy of “Healthy Lifestyle Starts with Vinda” and has striven to provide high quality hygiene products and services. Today, Vinda has a total of 12 state-of-the-art production bases, and operating core business segments including tissue, incontinence care, feminine care, baby care and professional hygiene solution under key brands Vinda, Tempo, Tork, TENA, Dr. P, Libresse 薇尔, Libero and Drypers.

Since 2016, Vinda has expanded its business to Singapore, Malaysia, South Korea, Thailand and other Asian countries and regions. In 2024, Vinda joins RGE, becoming an important part of RGE's integrated value chain from plantation to pulp to end product such as paper, tissue and many others. Leveraging its integrated manufacturing advantages, Vinda provides consumers with range of hygiene products and services.

\*RGE manages a group of world-leading, renewable resource-based manufacturing and clean energy companies with global operations.

### Our Purpose

Improving lives by developing resources sustainably.

### Our Vision

To be one of the largest, best-managed, and sustainable resource-based groups, creating value for the Community, Country, Climate, Customer and Company.

### T.O.P. I.C.C.

[ Complementary Team ]

We are aligned by our common purpose and work together as a complementary team.

[ Ownership ]

We take ownership to achieve outstanding results and seek value at all times.

[ People ]

We develop our people to grow with us.

[ Integrity ]

We act with integrity at all times.

[ Customer ]

We understand our customers and deliver best value to them.

[ Continuous Improvement ]

We act with zero complacency and always strive for continuous improvement.

# Milestones

- 1985** Established and strived for provide high quality household tissue products.
- 1993** Sole tissue supplier for the international fast food chain enterprise in China.
- 1996–1999** 1st Chinese tissue manufacturer to expand overseas market.
- 2000–2012** Production innovation leads the industry.
- 2013** 1st Chinese tissue company equipped with fully automated warehouse.
- 2014–2016** Tissue's annual capacity reached 100,000 tons, expanding Asia market and running 4 hygiene categories with 9 key brands.
- 2018** Yangjiang factory , the 10th plant in mainland China in operation.
- 2021** Vinda's ESG performance has been recognized by authoritative rating agencies around the world, and the MSCI ESG rating has jumped to A and so to this day.
- 2022** Vinda new SEA regional hub officially in operation in 2022.
- 2024** Vinda joins RGE.

# Vinda group in Asia 12 state-of-the-art factories

## Access Rules

Preparation required before work. Employee can only enter the workshop through the air shower.

Access control system

Wear clean clothing

Hand washing station

Air shower room

## Double Doors

The workshop is equipped with double doors. Raw paper, auxiliary materials, and finished products pass through these double doors to enter and exit the workshop, reducing the risk of insect entry.

## PEFC Certificate

The PEFC logo on our products ensures that these products come from sustainably managed forests, recycled and controlled sources. Every purchase of a PEFC-labelled product makes a difference for forests and forest communities across the world.

PEFC/01-32-782

www.pefc.org

## Quality Management

Whiteness Tester

Used to test the whiteness of paper towels

Thickness Tester

Used to measure the thickness of paper towels

Electronic Balance

Used to check the grammage and weight of paper towels

Computerized Horizontal Tensile Tester

Used to test the tensile strength of paper sheets

## Pest Control Measures

A professional pest control company has designed a pest control plan, implementing the following measures to reduce insect entry.

Sealed window

Rodent control facility

Fly control lamp

Mosquito killer lamp

## Metal Detector

Used to detect the presence of metal foreign objects in products.
